Lynn Lantrip from Waste Management

Spoke to club members on – what else – Waste Management

Club members and guests listened while Lynn explained the advancement of Waste Management since he has joined the organization. When he first came to Murphy there were 500 residents and only one store, which did not have a gas pump.

Lynn spoke of how the program of collection has advanced and improved over the past 35 + years.

Judy asks a question of Lynn and Thanks him for coming.
